It is said that the syndificate is preparing for a squeeze and that within less than a year it will have put all the non-pool mills hors de combat. We have enlarged Mixed Sweet Pickies, and improved our accommodations for displaying goods. We have established purchasing uncies in new cities, and sought by every means possible to offer our comers better bargains than we ever offered before. We have succeeded because the way to win success is to work for it.

We are receiving new goods almost daily, and already have on hand a magnificent assortment of goods. We can show all the latest styles and newest fabrics.

For the large patronage bestowed upon us we feel very thankful. 'The best way to win patronage is to deserve it. It is our great facilities for getting fine tailor-made clothing so low that enables us to offer it at such very cheap rates. Cheap buying is the secret of low prices, and although our goods are the finest in the world, they actually cost us less than we would have to pay for inferior ready-made clothing,
